

Summary for children and young people

Name of children's home: Liberty Lodge

URN: SC408714

Date of inspection: 1 and 2 February 2022

Dear Adam, Alex, Bartec, Jess and Taylor and not forgetting Albert and Arthur

I visited your home recently. It was a pleasure to be able to meet you all. I really appreciated the time that some of you spent with me and that you made me feel so welcome. Thank you!

I came to do an inspection. This involved me looking at lots of paperwork and speaking to staff and other people who are important to you. At the end of the inspection, I judged your home to be outstanding.

It was really clear to me that all of you have made great progress in different ways since you have lived at Liberty Lodge. I was particularly impressed by how amazingly some of you are doing in education and some of you with your independence. I think that this shows just how well the staff have supported you all, and, of course, Albert and Arnold, and how hard you are all working to do well.

It was lovely to see some of the activities and trips that you've been able to go on and do, especially in lockdown. I loved that you walked the country on the treadmill, that you went to football matches, and the holiday to Sweden, very impressive.

Liberty Lodge is a lovely home and I felt lucky to be able to spend time there with you all. If you want to know any more about the inspection, then just let Tom or Charline know, and they'll be happy to talk to you about it.

Take care
Cathy
